Dear Friend,

FOR A MONTHLY CHANCE TO WIN A CASH PRIZE JOIN OUR "100 CLUB"!

The basic concept of a '100 Club' is that 100 or more participants purchase in advance one or more entries into a monthly prize draw. Each month 55% of the total entry fees are distributed as prizes, and the remainder is retained by The Friends. Where participants can Gift Aid their annual entry to the monthly draw, The Friends can claim basic tax relief on the 45% of the subscription that is not distributed as prize money. Entry to the 100 Club is not restricted to members of The Friends only, although we would welcome participants to become members, and we also hope that members of the Friends would wish to participate.

Each monthly entry into our 100 Club draw will be £5, representing an annual subscription of £60 paid in advance. With 100 participants the total monthly prize money would be £275, and this would increase proportionately if we attracted more than 100 participants. Full details of the prize distribution are given overleaf.

Please help The Friends by joining the 100 Club today, and give yourself a monthly chance of winning a first prize of £125[†] (if we enlist 100 entries). Simply complete the attached form and use the address it gives at the top to return it to Patrick Luffman. If you are a UK tax payer, please also complete and date the Gift Aid declaration.

The 100 Club will not start-up and standing orders and cheques will not be processed until we consider we have enough entries, ideally 100 or more (it is taking us quite a few months to enlist enough participants). The first prize draw will be made within a month of the start.

Below this letter is space to record your entries also an aide memoire about Gift Aid. **Please retain the rules on the back of this letter for your future reference.**

Many thanks for your continued support, and good luck in the 100 Club.

Stephen

[†] this corrects £68.75 previously stated, which misapplied Rule 15 (if 100 entries). We apologise for the error.
